

Cooking, the challenge: video C

Nathalie: "Hey Yves I've got one more...I've still got one more thing to ask you, yes, yes"

Yves: "I've got to swallow this first "

Nathalie: Here so I'm giving you ten euros, take these ten euros...no, no it's for Yves, look at me. Yves, you have thirty seconds to create a menu fit for a king for me, the cameraman, sound guy, sound recordist. We want to eat a starter, a main course and a dessert. Set the watch...you have ten euros, what would you give me to eat?"

Yves: "What would I give you to eat? For ten euros, a starter, main course...Well, yes, I'd start with a Lyonnaise Salad."

Nathalie: "Lyonnaise Salad?"

Yves: "Lyonnaise Salad - curly endive salad with croutons, poached eggs and little diced pieces of bacon, a little dish of tripe."

Nathalie: "A what?"

Yves: 'Gras-double', pan-fried ox tripe and then a praline tart. That's a nice price I think for friends, eh?"
