

Directions: video A

The film crew is in France a few kilometres from Lyons. They stop at a motorway service area.

Nat: "Here is the film crew. Alan the cameraman."

Alan: "Hello!"

Nat: "Isabelle the journalist!"

Isabelle: "Hello!"

Nat: "Michael the soundman."

Michael: "Hello."

Nat: "And me - Nathalie the director. We're going to the Cité Internationale Hotel in Lyons."

Nat: "Here is the map. We are here at the rest area, at the Dardilly motorway services. The hotel... "

But finding the hotel is proving difficult. So I'm going to phone for directions.

Nat: "Hello, we are at the Dardilly rest area, can you give me directions to your hotel please?"
