

### Holidays: video B

A relaxing evening together for friends whilst on holiday in the mountains.  
Myriam Lathuille and Aurélie Vuillet often go on holiday together.

Nat: "Where did you go for your nicest holiday?"

Myriam: "Well, for my nicest holiday, I think it was Corsica.  
I went to Corsica and it was very, very beautiful."

Nat: "And Aurélie?"

Aurélie: "The same. Corsica is really an... an amazing island er... with sea and mountains  
contrasting with one another... I think it really was my nicest holiday."
