

1 EXT. CASTLE COURTYARD - ENTRANCE - DAY 1

SUPER: "May the Berry Best Win!"

BWS castle and streets. Closer shot of streets.

Tom and Twigs are in the streets walking along

1 TWIGS 1

(holds up berry)  
Tom, guess what kind of berry  
this is!

2 TOM 2

Well, it looks like...

Twigs juggles fruit

3 TWIGS 3

(manic, rapid-fire)  
I'll give you a hint: It's not a  
blueberry, blackberry, raspberry,  
strawberry, boysenberry,  
cranberry or elderberry.  
Gooseberry's out, as is goji  
berry, lingonberry, juneberry and  
mulberry. And don't even mention  
huckleberry, juniperberry or  
banana.

4 TOM 4

Banana?

5 TWIGS 5

I told you not to mention it.

6 TOM 6

<Laughs>

7 TWIGS 7

You laughed! You're getting  
warmer!

8 TOM 8

(confused)  
Huh?

Twigs tosses him the berry which makes a <LAUGHING SOUND>.

9 TOM (CONT'D) 9

Am I hearing things, Twigs, or  
did this berry just laugh?

10 TWIGS 10  
Yes! It's a chuckleberry!

He drags Tom off. They emerge in the courtyard

11 TWIGS (CONT'D) 11  
And today is the "Biggest  
Chuckleberry in Treetopolis"  
contest!

2 EXT. CASTLE COURTYARD 2

which is filled with sprites preparing their chuckleberries  
for display. Tom tosses the berry up in the air again; it  
<CHUCKLES>!

12 TOM 12  
<Laughs>

13 TOM (CONT'D) 13  
(to US)  
Cool, huh? A berry that laughs!

14 TWIGS 14  
Mine's too small to win, but...

Tom tosses the berry back to Twigs.

They stop outside and see Ariela at the trophy

15 TWIGS (CONT'D) 15  
...I don't care - Ariela wins the  
prize every year, she always  
grows the biggest berry,  
don'tcha, my butterfly buddy?

She flies over and leans on Twigs

16 ARIELA 16  
Twigs is right, Tom and that  
there's my trophy!

She points to a golden trophy in the courtyard in the form  
of a pedestal holding a spherical berry. Stink sticks his  
nose into the conversation.

17 STINK 17  
Enjoy it now, 'cause by the end  
of the day, it's gonna be ours!

Puffy pokes out from behind the pedestal

18 PUFFY 18  
That's right, rodeo girl our  
chuckleberry is so big it's gonna  
make yours look...

But she's not clever enough to pull off the simile.

19 PUFFY (CONT'D) 19  
...uh... small!  
(turns to Stink and they  
run off)  
That told her eh Stink?

20 STINK 20  
Sure did Puffy.

They <CACKLE> together as they exit.

21 STINK & PUFFY 21  
<Cackle>

22 ARIELA 22  
(panics)  
You really think those mushas are  
fer real? Oh they can't win--  
they're... they're... mushas!

23 TWIGS 23  
She's got a point.

24 TOM 24  
Don't worry, Ariela. Even if  
your berry doesn't win, you can  
st..

25 ARIELA 25  
What?! Doesn't win?! Are you  
pullin' my wing?! Of course,  
it's gonna win! It's huge!

26 TOM 26  
I'm just saying, there's no  
reason to get upset. Just forget  
about those silly mushas. I'm  
sure your chuckleberry is great,  
really great.

Ariela calms down a bit.

27 ARIELA 27  
Ok. Thanks, Tom.

28 TOM 28  
Come on, let's go to your ranch  
so I can see your prize  
chuckleberry.

They fly off and camera tightens on trophy

CUT TO:

3 INT. BARN - BRANCH RANCH - A LITTLE LATER 3

We see Puffy pushing the door ajar and looking out of the barn

Puffy and Stink are in the process of siphoning Ariel's chuckleberry of its juice. A tube runs from the berry to a large barrel. Stink pushes down on a pump.

29 STINK 29  
<Exertion noises>

30 PUFFY 30  
That la-dee-dah butterfly thinks her chuckleberry's so great! By the time we're done pumping the juice out of it, it'll look more like a shriveled up chuckleraisin! <Laughs>

She <laughs> hysterically at her own lame joke. With each pump, the berry deflates and gets smaller.

31 STINK 31  
I'm tellin' 'ya, Puffy it's about time a musha won something around here!

His overzealous pumping causes some of the juice to splatter onto the barn floor.

32 PUFFY 32  
Hey Stink, watch it! You're wasting precious juice! We need every last drop if my brilliant plan is going to work!

33 STINK 33  
Your brilliant plan? I'm the one who thought it up, my dear sister! You always try and steal my ideas.

Suddenly, they HEAR OFF-SCREEN VOICES AND FOOTSTEPS.

34 TWIGS 34  
Honestly you're not going to believe it....

35 PUFFY 35  
Shhhhh!!! Someone's coming!

## Ep 3 (MBB) May the Best Berry Win

ARIELA (CONT'D)

I need to make my berry big  
again! I've gotta win the  
contest!

44 TOM 44

Okay, but it looks like we're  
going to need some magic for this  
one.

He steps closer to CAMERA.

45 TOM (CONT'D) 45

(to US)

We need to do the moves that turn  
our magic powers on. Come on  
join in. Time for Tree-Fu.

MUSIC BEGINS - Percussion with a strong Hip-Hop beat

Tom begins INTERACTIVE WARM-UP SONG (recurring in every  
episode).

46 TOM (CONT'D) 46

We need to turn the magic on  
We need to save the day come on  
Just follow me and you will see  
The magic comes from you and me  
To make magic work do the moves  
with me  
To make Tree Fu spells do what  
you see  
Slide to the side  
And jump right back  
Hold your hands up high  
Spin around, reach up for the sky  
Touch your nose  
Now make a pose  
Clap your hands, one two three  
Touch your knees and run with me  
Tree Fu moves make the magic  
When you move you make the magic  
Do what I do, to make the magic  
Do Tree Fu come on  
Turn that, turn that, turn that,  
turn that Tree Fu magic on

END SONG - Transition out: set transforms back to the  
Branch Ranch Barn.

47 TOM (CONT'D) 47

Look! The sap-stone on my belt is  
glowing! Moving turned our magic  
on! Thanks for your help

He turns back to the problem at hand. He speaks into his  
magic wristband.

48 TOM (CONT' D) 48  
Now Holopax, we need to turn  
something very small into  
something very big and it's got  
to be quick! Any ideas?

The Holopax projects into the air an image of a whimsical instrument resembling a telescope. Tom examines the Holopax for further details. The Holopax speaks in a friendly elfin voice (not a techno/computerized voice).

49 HOLOPAX VOICE 49  
The Size-o-scope is what you  
need! It makes small things big  
and big things small!

50 TWIGS 50  
Cool.

51 HOLOPAX VOICE 51  
The Size-o-scope belongs to  
Zigzoo the inventor.

52 TOM 52  
Great! Let's see...

Tom presses a button on the Holopax. An image of ZIGZOO magically appears in the air.

53 TOM (CONT' D) 53  
Zigzoo!

54 ZIGZOO 54  
Hello.

55 TOM 55  
We need your help; can we borrow  
your Size-o-scope to make  
Ariela's berry big again?

56 ZIGZOO 56  
Of course Tom! I'll be there in  
a jiffy!

The connection cuts out and the sparkly cloud is drawn back in to Tom's Holopax.

BACK TO SCENE

57 ARIELA 57  
Thanks, Tom. Let's get this little  
thing ready.

She pushes the berry and box out of the barn.

ARI ELA

87 TOM 87  
(as they run off)  
Waaah!

But accompanied by LOUD (non-human) LAUGHTER from the chuckleberry) Ariel a Looks concerned.

88 ARIELA 88  
Oh come back here.

She starts to run after it.

EXT. CASTLE COURTYARD

The mood is festive. Treetog speaks to the villagers.

89 TREETOG 89  
Harvest season. A time of peace  
and quiet and ... ooh.

The speech is interrupted by LOUD LAUGHTER

90 TREETOG (CONT'D) 90  
What is that?

She looks up to see where the LAUGHTER is coming from - the giant chuckleberry is headed straight for the castle!

91 TREETOG (CONT'D) 91  
Oh dear! Everybody find shelter!

Treetog majestically waves her arms and conjures up a holomist which features Tom's sparkling face

92 TREETOG (CONT'D) 92  
Tom! We need your help! Big  
World Magic help! It would seem  
that an enormous chuckleberry is  
headed straight for the castle!

CLOSE-UP ON TOM

93 TOM 93  
I'm on it!

WIDER ANGLE

reveals Tom is literally on the rolling berry! Next to him is Twigs; both are frantically moving their feet, trying to get the berry under control as it heads towards the castle.

7 BEGIN ACTION SEQUENCE 7

in which the berry, loosely guided by running Tom (and Twigs who is mostly stuck to the side of the berry going round and round) bounces off a rolls around the natural features of the landscape, down Rickety's canyon (like a skateboard half-pipe), then up in the air, then back down again-- THUD!-- In the park it bounces off branches, then heads right toward the castle where Tom flies up and off the berry, hovering in the air while addressing the kids at home.

94 TOM 94

<Heavy breathing - running>  
(to US - breathless)  
As you can see, things have got pretty serious. We've got to stop the chuckleberry from smashing into the castle!

95 TOM & TWIGS 95

<Breathless sounds - running>  
<BEING THROWN AROUND WALLA>  
Aarghs, oohs, Wahs, etc.  
<Landing sounds> <laughter>

96 TOM 96

<Breathless sounds> I've got a plan.

He flies off the berry and speeds ahead of it.

Twigs gets knocked off and is rolling round with the berry

97 TWIGS 97

Just a ... whoah-oh-oh-oh-oh.

Tom zips down to the ground on the castle bridge. Bridge and castle behind him. We see the berry in the distance coming towards him

98 TOM 98

We'll have to use Big World Magic to make a magic wall to stop the berry from crashing into the castle, so I'll need your help. It's time to do the 'Build a Wall' spell. Are you ready? Tree Fu go!

Tom stomps in to his spell pose which triggers the visual switch in to 'spell time / mode'

Tom conducts INTERACTIVE BIG MAGIC SPELL #1 Kids execute as Tom explains and models.

99

TOM (CONT' D)

99

Right copy me into your spell pose. Cross your arms in front of you.  
Stamp one foot. Stamp the other foot. Pat your knees, your chest, then push forward.  
Now we need to draw one small circle like this and then a big circle all the way round. Oh great. Same moves again.

100

TOM (CONT' D)

100

Cross your arms, stamp one, two, pat knees, chest, push. One small circle, one big circle.  
Now clap, say "Build-a-Wall!" to send the magic to me.

He claps hands, then models "pushing" gesture with two

115 STINK (CONT'D) 115  
Nyna-nyna-nyna-nyna-nyna! Stinky  
is the winner. Ariela lost it.  
Stinky went and won it. <Cheers>

116 TREETOG 116  
Congratulations. Ariela, as the  
previous winner you must hand  
over the trophy to the new  
champion.

Ariela walks over to Stink

117 STINK 117  
I'm the best. I'm the best  
there's ever been.

Ariela holds out the trophy

118 ARIELA 118  
Here y'are Stink, s'pose I got  
what I deserved, huh? I cheated.  
And cheaters never really win, do  
they? You won it fair and square  
though with this huge b...

She pats the enormous berry, something isn't right... Looking  
at her hand, it's stained berry-juice red!

119 ARIELA (CONT'D) 119  
Berry juice? MY berry juice!? I  
may just be a country butterfly,  
but I do know my chuckleberries,  
and where I come from, the juice  
is on the inside of the berry,  
not the outside!

She holds up her hand, stained in berry juice, for all to  
see.

120 ARIELA (CONT'D) 120  
This is a pretend chuckleberry.

121 CROWD 121  
<Gasps>

122 ZIGZOO 122  
A pretend chuckleberry?

123 TWIGS 123

Puffy makes a grab for the trophy but Ariela flies up in the air

136 PUFFY (CONT'D) 136  
Give it here!

137 ARIELA 137  
No! You're not gettin' it!

Ariela flies off and flits up on top of the wagon behind the size-o-scope (at the small end), Puffy lumbers after her

138 PUFFY 138  
<Effort noises>

139 STINK 139  
Go on Puffy - go on grab it.

140 PUFFY 140  
Give me the trophy!!

Puffy clambers up onto the wagon ending up on the other side of the scope (at the big end), she stands up and swipes and then unsuccessfully tries to climb over the scope

141 ZIGZOO 141  
Oh no. Don't do that, no, no,  
don't press the buttons!

Puffy's big feet press the buttons

The Size-o-scope fires out of both ends surrounding Ariela and Puffy in the magical glow.

142 PUFFY (NORMAL INTO GIANT VOICE) 142  
(Unison)  
No.

143 ARIELA 143  
(Unison)  
Noooo.

Suddenly, Ariela shrinks to about 1/3 of her size! Simultaneously, Puffy expands! She becomes a big, lumbering Godzilla-like monster!

MIX:

Puffy tries to grab Ariela and the trophy

144 PUFFY (AS GIANT) 144  
Give me that trophy!

Tom flies up. Ariela tries to lift the trophy but it's too big and heavy

Puffy's hand causes the pillar to crack

157 PUFFY (AS GIANT) 157  
Come here! It's mine!

Tom flies off

158 TOM 158  
It doesn't belong to you.

159 PUFFY (AS GIANT) 159  
No!

Tom runs inside and up the tower

160 TOM (OOV) 160  
<Breathless running> Oh.

Tom arrives at the top of the high balcony of the tower.  
He looks down from the balcony to Puffy.

161 PUFFY (AS GIANT) 161  
Gimme that trophy.

Puffy can't reach so starts clambering up the outside of  
the tower, with great difficulty. Her size and weight  
greatly endanger the integrity of the castle structure.

162 PUFFY (AS GIANT) (CONT'D) 162  
<Effort noises>

163 SPRITES 163  
<PANIC WALLA>

164 STINK 164  
<ENCOURAGING PUFFY & ACTION  
WALLA>

Ariela does her best by annoying and distracting Puffy by  
yelling into her ear and flying around her face.

165 ARIELA 165  
How dare you shrink me! I do not  
like being 'itty or bitty, you  
understand me?!

166 TWIGS 166  
Go for it Ariela.

167 ARIELA 167  
That trophy should be mine.

168 TWIGS 168  
Go on girl.

Puffy swipes at Ariela

(shouting)  
We'll have to use Big World  
Magic!

177 TWIGS 177

(shouting)  
I know! Why don't you use Big  
World Magic? (to self) I am a  
genius!

Puffy still climbing tower

178 PUFFY (AS GIANT) 178

<Effort noises>

179 TOM 179

(to US)  
I'm going to need your help.  
It's time to do the 'Mega  
Attractor' spell. Are you ready?  
Tree-Fu Go!

Tom stomps in to his spell pose which triggers the visual  
switch in to 'spell time / mode'

Tom conducts INTERACTIVE BIG MAGIC SPELL #2

180 TOM (CONT'D) 180

Right copy me, into your spell  
pose.  
Step forwards, reach and pull  
back. Other foot, step, reach  
and pull back.  
Make a big circle back with one  
arm, a big circle back with the

The "fishing line" materializes as a laser-like beam that shoots out across the courtyard and to the Size-o-scope below, Twigs leaps on top

182 TWIGS 182  
Hey I'm coming too!

Tom pulls the magic beam to which the Size-o-scope and Twigs are now attached towards him.

183 TOM 183  
It's working! Thanks, for your help.

Stink grabs onto Twigs' foot and is pulled up too

184 STINK 184  
Oh no you don't. <Leap> Come ba-a-ack.

TWIGS

Tom continues to bring the Size-o-scope up with Twigs holding on - he's now sitting astride the size-o-scope

192

TOM

192

Okay, Twigs - remember to push the big and small buttons at the same time to change them both back, okay?

193

TWIGS

193

(nervous)  
Big and small, right. Two

203 TOM 203  
Yay! We did it! And thanks to  
you our Big World Magic saved the  
day!

204 ZIGZOO 204  
We did it my machine pulled us  
through. Another brilliant  
invention from Zigzoo.

Twigs and size-o-scope land onto the ground.

205 TWIGS 205  
It was me I saved the day, there  
was a little bit of help from  
other people but basically I'm  
the hero.

Tom and Ariela land - Treetog joins them

206 TREETOG & TOM 206  
<Laughing>

Tom has the trophy

207 ARIELA 207  
<Sigh> Thanks Tom. It should be  
those mushas cleanin' up but I  
did cheat too so maybe mopping up  
this big ol' mess will remind me  
that cheatin' don't pay.

208 TREETOG 208  
Well... it would seem that no-one  
wins the trophy this year as no  
chuckleberries survived being  
squashed by those two naughty  
mushas.

209 TWIGS (O. S.) 209  
Ah with all due respect, your  
Treetogliness...

Everyone turns as Twigs steps forward from the crowd.

210 TWIGS (CONT'D) 210  
...there is... this.

He reveals his chuckleberry on the palm of his hand.

211 TREETOG 211  
<Giggles> Well, by the great  
tree! One of my students is  
holding the biggest chuckleberry  
of the season! You win, Twigs!  
Congratulations my Treeling.

Tom hands the trophy to Twigs

212 TWIGS 212  
<Laughs> I won! Oh I am the  
winner. Oh yes.

Treetog <Laughs>

213 TREETOG 213  
<Laughs>

214 ARIELA 214  
<Reaction> Well done Twigs.

215 TOM 215  
Yay Twigs brilliant!

216 ZIGZOO 216  
Go Twigs.

217 TWIGS 217  
I thank you, Treetog.  
(re: the berry)  
Now that I've won, no need to  
hold onto this anymore. Oop.  
<gulp>

He tosses his chuckleberry up in the air and we HEAR its  
tiny <CHUCKLE> before it falls into his open mouth.

He shakes his tummy and he we HEAR a <TINY CHUCKLE> from  
within.

218 TWIGS (CONT'D) 218  
(rubbing tummy)  
Hmm. Er maybe I shouldn't have  
eaten that chuckleberry. I'm
